Message from the Executive Director

Please let me apologize for the mistakes in this week's earlier email. I wish I knew what my secretary (me) was thinking.

Here is an update with correct information.

TASA/TASB hosts txEDCON 2022 in San Antonio September 23-25. TCPEA holds its fall meeting in conjunction with this meeting, with a face-to-face program and Graduate Research Exchange slated for September 23. Members of the Programming Committee met recently to develop an agenda. Information about the draft agenda appears in this mailing. As soon as the committee solidifies the agenda, we will distribute it.

I would also urge you to share the GRE information with your students. The deadline for applications has been extended in order to give more people the opportunity to present.

Regards,

John Decman

Fall Meeting Plans

The Engagement and Program Planning Committee met recently and drafted a program for the Fall Meeting in San Antonio on September 23. We will be at the Grand Hyatt, in room "Lonestar C." The morning portion of the meeting will begin at 8:30.

With a fall focus on "Continuous Program Improvement," we expect to have a guest speaker from TEA as well as a panel of Superintendents providing data points, perceptions, and other information to the membership for discussion and consideration. This will be followed by a brief Business meeting before recessing to lunch and the Graduate Research Exchange.
